SUPPLEMENT 4

[redacted]

SOURCE

The Gebr. Junghans, A.G., a large watch factory in Schramberg (W45), is to be dismantled, according to a decision of the "Service Economique" in Baden-Baden. This is the most important factory of its kind in the Black Forest, and Staatsrat Schmid, the head of the German government of Württemberg, has pointed out in vain to the French authorities the indispensability of the Junghans production to Württemberg export.
